SMART HOME COVER

A house is more than just a costly investment. For some, it's your private haven, a place you call home that holds everything that is precious to you. And for some, it's a valuable source of rental income. But whatever it is, it makes perfect sense to safeguard your house and its contents against damage or loss that might be financially devastating to you.

Introducing Smart Home Cover, a new kind of home insurance that offers flexibility for your peace of mind. Consisting of five components namely HouseOwner (Building), HouseHolder (Content), Mortgage Loan Installment Protection, HomeFix and Landlord Insurance, this plan gives you the freedom to choose and customise based on your needs and wants, thus, helping you to save more on premiums. Be it your home sweet home or a rental property, you can rest well knowing it is protected with Smart Home Cover.

FAQ

What is Smart Home Cover?

Smart Home Cover is a new kind of home insurance which is modular in nature where customers can tailor-make their own home insurance according to their needs and/or wants.

What does Smart Home Cover consist of?

It consists of 5 components: HouseOwner (Building), HouseHolder (Content), Mortgage Loan Installment Protection, HomeFix and Landlord Insurance.

Do I need to purchase all 5 components?

Customers only need to purchase a HouseOwner and/or HouseHolder as a base. The other components are optional for customers to select according to their needs.

What is so special about Smart Home Cover?

Besides allowing customers to tailor-make their own home insurance, customers could actually save more on their premiums.

Who can buy Smart Home Cover?

Home owners, landlords and tenants.

What is Agreed Value?

Agreed Value is the amount you insure your property for, calculated by our agents using our Allianz built-in sum insured calculator.

Must customers insure their building on agreed value?

Not necessarily. Customers may also insure their building on a market value or reinstatement value basis by providing their own sum to insure for their building.

Notes: To avoid underinsurance, kindly ensure that your sum insured is adequate.
